

CAPITAL FARM CREDIT LOGO IMPRINT OPTIONS

FULL COLOR

Capital Farm Credit type will be stitched in black and the star will be stitched in white and outlined in green. The barn will be blue and the crop rows will be green. This color scheme is best suited for lighter garments where the black text has enough contrast to be clear and legible.

FULL COLOR (REVERSE)

Capital Farm Credit type will be stitched in white and the star will be stitched in white and outlined in green. The barn will be blue and the crop rows will be green. This color scheme is best suited for darker garments where the white text has enough contrast to be clear and legible.

BLACK

The entire Capital Farm Credit logo will be stitched in black. The star will be left open revealing the garment color. This color scheme is best suited for solid lighter garments that don't have an accent color.

WHITE

The entire Capital Farm Credit logo will be stitched in white. The star will be left open revealing the garment color. This color scheme is best suited for solid darker garments that don't have an accent color.

SILVER

The entire Capital Farm Credit logo will be stitched in silver. The star will be left open revealing the garment color. This color scheme can work for either solid darker or lighter garments that don't have an accent color.

TONE ON TONE

The entire Capital Farm Credit logo will be stitched in a color that is a shade darker or lighter than the garment color. The star will be left open revealing the garment color. This color scheme is best suited solid garments without patterns for a time when a subtle look is desired.

MATCH GARMENT

The entire Capital Farm Credit logo will be stitched in a color that matches the piping, another logo, or accent color that is on the garment. The star will be left open revealing the garment color. This color scheme works best for garments that have accent colors that allow you to tie the logo and garment all together.
